

ADNOC Temporary Guesthouse

RUWAIS UNITED ARAB EMIRATES

Ruwais is a town located 240 kilometers west of Abu Dhabi city. The Ruwais-industrial and Housing Complex has been developed by ADNOC as a major contributor to the national economy and represents a series of multi-million-dollar investments by the company.

The housing complex is centered around Takreer's Ruwais Refinery: Industry needs people and so Ruwais has also been developed into a model 'new town' with a population of several thousand.

The Temporary Guest House complex figures 12 first class buildings for the temporary accommodation of visitors and new employers, with all the comforts.

All this complex is fully cooled down by 60 Rhoss FAHUs and AHUs.

Air units

Air flow: 680.000 m³/h

FAHUs/AHUs (60 pcs.): 680.00 m³/h air treated.

Special features:

Thermal cut profile to avoid condensation

Enthalpy rotary wheel to pre-treat the fresh air

Eurovent A Class Unit

Stainless Steel panels and drain pan
